OK, so it was always going to be hard to avoid spouting a load of old bollocks about taking a pounding in the ring and seeing stars, but when we took Club legend Sandy down to an East End boxing club the other day, the results were literally knockout. Just flick over to page five and see for yourself – or if you're technologically minded, you can catch the vid at www.sexclub.co.uk. And talking of big-hitters, it's a warm welcome back to the hottest starlet on the U.S. scene, the utterly perfect Teagan. She was a bit of an unknown last time we featured her, but she's been busy making a name of herself ever since – her cock-handling skills are legendary, and she certainly made us pretty keen to handle ours when she blew into town for this shoot. As a final thought, I'd advise you to check out Brea – a blistering newcummer who I for one very much hope to see more of before long! **The Ed. ♣**

WAR WHORE

Silvia Saint in army fatigues – can it get any better? As an ex-soldier it's always been my fantasy to fuck a girl in camouflage and while it might not have happened while I was serving, it's nice to imagine it and I couldn't think of any other girl I'd like it to be than Silvia Saint. I've seen loads of her videos so I know just how dirty she is and she'd certainly get a bit of my beef bayonet! Let's see more Club girls in camouflage, starting with that dirty little minx Stella.

NET NAUGHTINESS

I'm a great fan of your magazine and I love comparing myself to all the hot models you feature, so I thought I'd write in and tell you and your horny readers about one of my recent sexual escapades. I'm a woman in my twenties, with long blonde hair, a firm body and an ample pair of breasts, and while I don't have any trouble pulling guys and getting them back to my place for sex, I've got such a high sex drive I've resorted to the internet to meet men for no strings sex. I'm a member of an online swingers' club. Sometimes we just post our fantasies on the site or have net sex, but we also make contacts all over the country. If I'm on holiday, or travelling on business, I can arrange to hook up with like-minded people anywhere in England.

LIFE'S A PEACH!

Is it just me or is Peaches getting better as she gets older? I've always been a fan of her since I first saw her in your mag a couple of years ago. Back then she was really young and innocent looking although I got the impression this was far from the case. Then when I saw her in last month's issue I was blown away. She was clearly looking older but in my opinion she was looking twice as hot. I can imagine she's a very experienced young woman these days and she could even teach an old dog like me a few new tricks in the bedroom. My only hope is that if she continues to get sexier as she gets older, we'll all be in for a treat in ten years time!

PUNCHIN' NUDEY

You've all heard of boxing legend Rocky. Now meet foxing legend Sandy...

PHOTOS: RUDEBOY

We all know Sandy is a hit with our readers so when she promised to go the distance and pose as a pugilist we were hardly going to put up a fight. And we'll think you'll agree that this classic *Club* cutie looks like the main contender, especially when it comes to her levels of fitness. But the question on all of our lips is has she ever been beaten around the ring?

"That depends on what sort of ring you are referring to," she quipped. "If you're talking about the boxing ring then I'm afraid the answer is no. I wouldn't want to get hit in the face just in case I lose my looks. Besides, I'm a lover not a fighter!"

That's understandable, but since you mentioned it, what about your other ring?

"Well, let's just say it's gone a few rounds. I love the intense pleasure-pain feeling you get from being fucked in the arse and I'm never satisfied unless I've taken a tongue, a dildo or a real cock up there! So yes, I'm always up for an anal pounding."

PENNY'S VALUE

I've just got to tell you that issue 35.5 of *Club* was one of the best ever but you couldn't exactly go wrong with Stella and Josie together on the cover. Inside was just as good with another classic *Club* babe Natasha, gorgeous Reader's Girl Pauline and then lesbo lovers Penny and Monique. On their own they'd make any guy happy but seeing the two of them together was worth the cover price alone. *Antony, Leicester*

The thing I love most about the swinging scene is that there's no awkwardness, and no need to be shy about saying what you want. I kissed both guys in turn – that always gets my pussy wet – then homed in on Nick's cock. I already knew blowjobs were his favourite turn-on, so I chowed down as John got busy behind me. My pussy was so sensitised from frigging off, it tightened around his fingers as he wiggled them inside of me. As he pulled them out I gave a muffled moan, then sucked Nick's cock into my mouth as John started to fuck me.

This was hornier than I'd even imagined. One thick prick plunging into my cunt, shoving me forward onto the one in my mouth. Suddenly, a salty taste spread all over my tongue as Nick shot his load. I let it pool in my mouth, then looked back over my shoulder, parting my lips so John could see the creamy mouthful. As I threw my head back and swallowed it, he raised one of my legs up, stretching my cunt even tighter around his prick. He powered in and out, and soon I was feeling the hot rush of his cum.

When we were ready for a second go, we all switched places. I love to go on top, and so Nick laid down to let me sit on him reverse cowgirl style. John fed his cock into my mouth so I could taste our blended

juices as I rode Nick. I reached down – as well as having a cock in either end, I had a pair of balls in each hand.

Nick turned out to be a real tit man. As I arched up, sitting square over his cock, he cupped my boobs, pulling me backward so he could play with them. It felt great, but he couldn't thrust very hard inside of me. I turned over, just riding him cowgirl, my tits dangling over his face. All the while, John had kept his meat in my mouth, and sucking on it boosted the pleasure I felt all over my body. Nick

Recently, after a tough month at work, I needed to blow off a little bit of steam. And you can probably guess how I do that! I'd always wanted to try a threesome with two men and I met the perfect candidates online. As we all lived in different areas, we decided to meet up in a motorway service station hotel somewhere no one would know us.

To set myself up as the perfect slut, I'd told each guy I only wanted him to send me a photo of his cock. Otherwise looks weren't important. I

checked into our room first, and waiting for them to arrive felt like a lifetime. I frigged off twice to keep myself calm, so by the time the guys got there my snatch was all puffed up and tender.

John was the first to arrive. I got him to strip so I could see his cock and be sure it really was him! But then we just laid on the bed, watching one of the porn channels while we waited for Nick. When he showed up half an hour later, my pussy was creaming all down the insides of my thighs.

HENI'S FROM HEAVEN

I have been a faithful buyer and reader of *Club* for 12 years now and I've always been a gentleman who prefers blondes, the likes of Stella, Natasha and Diana. That was until I saw Heni in last month's issue. With her lovely face, gorgeous tits and long flowing brown hair I could not believe my eyes, so from now on I will pay a little more attention to brunettes. The pictures of Heni are wonderful and I would be in heaven if you showed more of her sometime soon.

Graham, Stirling

was humping up into my cunt and caressing my tits while John was fucking my face.

I wanted to savour each climax individually, so I braced myself against Nick, so he couldn't thrust up into me, and sucked furiously on John's cock. As his load slipped down my throat, I started bucking on Nick's crotch, clenching my pussy to milk out his spunk. And I kept squeezing him until his balls were dry.

I've stayed in contact with them both since then, and there's an open invitation to hook up with either or both of them whenever I'm in town. Nick's recently met a bisexual girlfriend. He says he'd love us to have a threesome. I'm more into guys, but I never say never...

OUT TO LUNCH

Me and the lads at work are obsessed with Faye, your Reader's Girlfriend from 35.6. While she's not that blessed on the boob front her general cuteness and filthy enthusiasm makes up for it. But the reason why we've really got a thing for her though is because she looks exactly like the girl that works in the sandwich shop across the road from our factory. Every lunchtime when we go over there we're giggling like a bunch of school boys, reading double entendres into everything she says – "Butter or spread?" "Is brown OK?" "What filling do you want?"

So, we'd like to ask if you could possibly take some photos of her in a kitchen making sandwiches and getting covered in mayonnaise and the like because that would really make our lunch breaks more enjoyable. And our toilet breaks, if you know what I mean!

Glenn, Sunderland

If she gets in touch, we'll do it! – Ed.

TAKE THE MICK!

There's no need to approach this one with caution. No, seriously...

PHOTOS: SCOTT WARD

What is it with girls like Michaela? You'd think that a female of her calibre would have potential suitors lining up longer than the dole queues were in the '80s, but it seems her abundance of beauty is having the reverse effect. Intimidated by her looks and her confidence, she's inadvertently warding off the wooers.

"If I go out with my friends to a bar, no guys ever come up and talk to me. Sure, they'll eye me up and down all night long – especially if I'm wearing such a revealing dress like this one – but I never get approached. And it's driving me mad. There's even been occasions when I've seen a guy I like the look of but as soon as I try to make eye contact he's scared off. I can't remember the last time a guy initiated contact with me. It wouldn't be that bad, but I haven't had sex for so long I'm starting to worry I'll end up a celibate spinster for the rest of my life!"

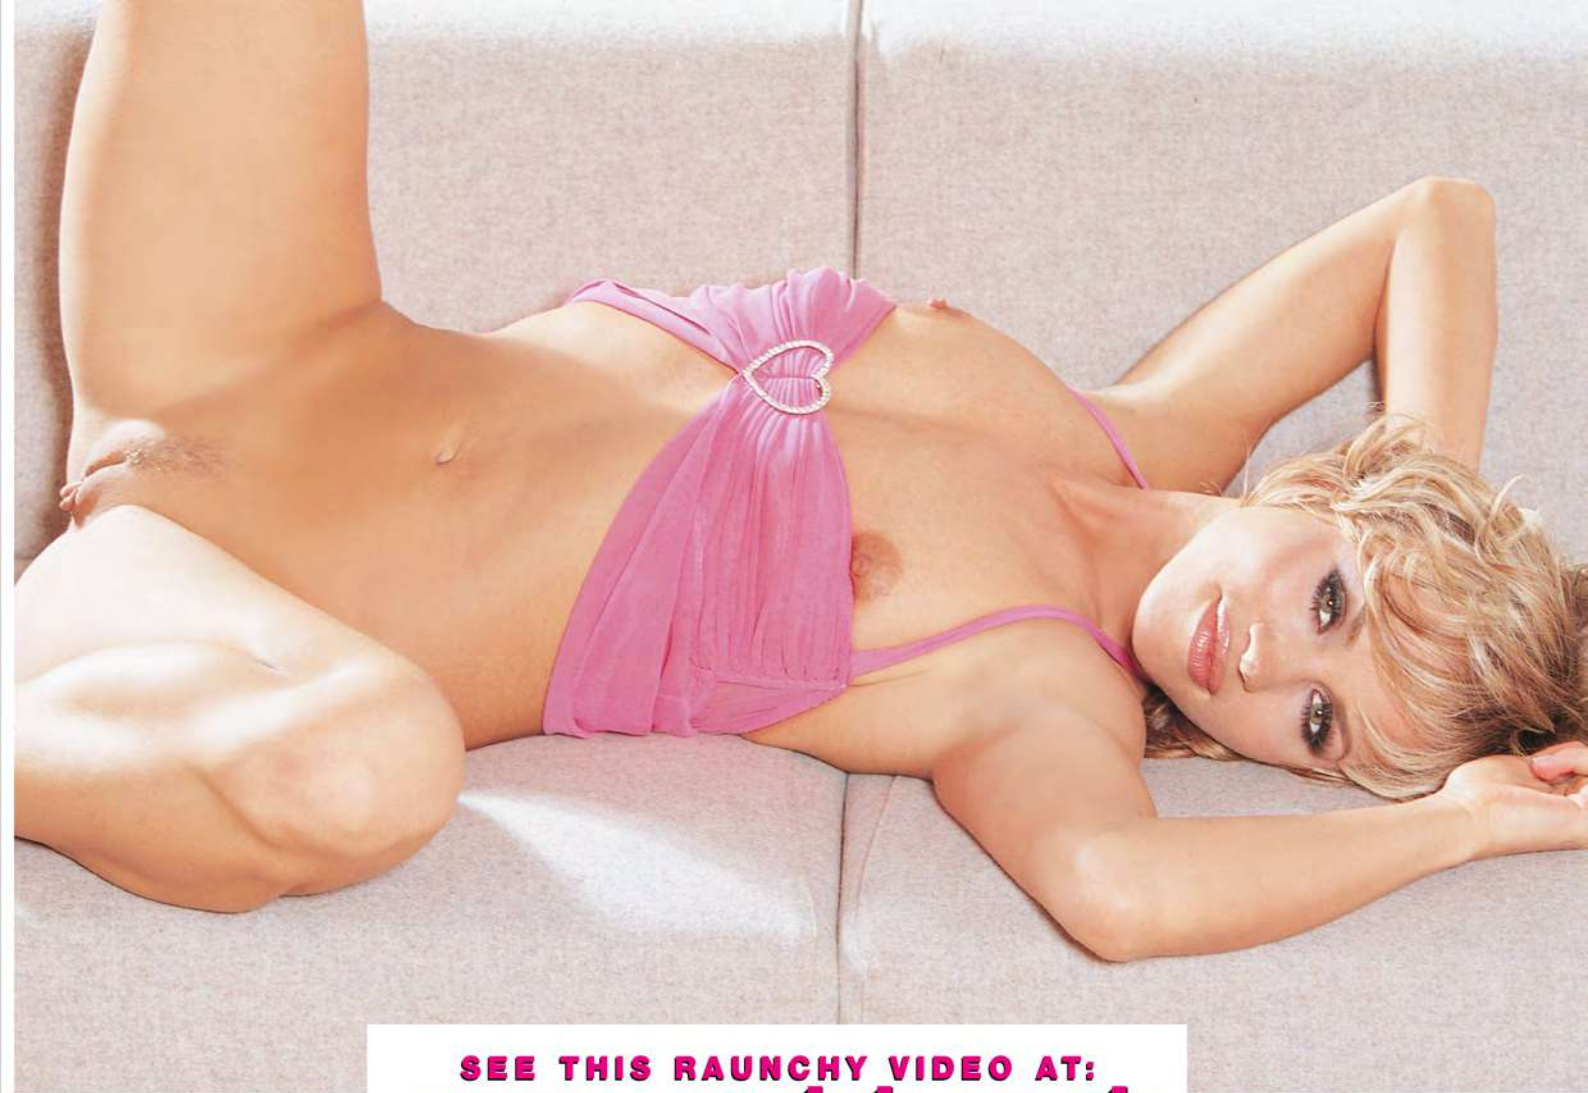

Come on, there must be a few brave souls among you willing to put this girl out of her misery. Don't leave it up to us. Actually, on second thoughts... ♣

THE NAKED HISTORIAN

PART 7: THE 'HOBBITS'

ANYONE WITH A TV KNOWS THAT THE ROMANS INVENTED CENTRAL HEATING, AQUEDUCTS AND BRAZILIAN WAXES, BUT WHERE THE FUCK DID EVERYTHING ELSE COME FROM? NIGEL PULLMAN-CARRIAGE INVESTIGATES...

History, as Jimmy Greaves might have said had he enjoyed an education, is a funny old game. Although that's not strictly true, as it is neither funny nor a game. History is, however, old. And this is something which I intend to illustrate through the subject of this week's wade along the forgotten backwaters of the chronicles of the world... a race that roamed the Earth from around 95,000 years ago with pygmy elephants and Komodo dragons, a species of human that grew no larger than a three-year old child and had skulls the size of grapefruits. So, let's ask the question: What did the Homo floresiensis (Hobbits) do for us?

IT'S THE LITTLE THINGS

Now I know what you're thinking: "What the dry-fuck can dwarves have done to

better the human race?" And it's a fair question. However, at this point in history, the remains of these creatures uncovered in Indonesia in 2004, were the kings of all they surveyed. And didn't they chuffing know it? Amongst the tools I found on my original dig back in '72 were primitive landscaping implements – spades, trowels, hoes and a looped length of animal sinew with incisors set into which could be wound rapidly around a wooden arm to create a simplistic form of hedge trimming. I also collated a great deal of evidence on – what I saw as – clearly cultivated gardens under the 18,000 year old soil. And putting all this together, it was clear to me that these 'Hobbits' were expert landscape gardeners, equally handy with a trellis as they were a herbaceous border or communal water fea-

ture, such as a pond, which they would sit around and fish from. Possibly sat on giant toadstools. Does Homo sapien possess some distant memory of his long-lost little cousin? A quick look at the gardens of the elderly and mentally infirm should be sufficient to answer that one!

CHIMPLY THE BEST

Of course being only one-metre high and having the brain of a chimp proved to be a bit of a draw back for our little Hobbits – particularly with those fucking Komodo dragon lizards hanging around. Anyway, life was never going to be easy (or long), so I believe they learnt to compensate. Ancient cave paintings I saw in '72 showed tiny little fellas using carved bamboo poles to give them the height advantage over the creature they hunted (pygmy elephants) and those which hunted them (those fucking nightmarish Komodos). You see, by strapping a pole to each leg and wearing oversized clothes, the Hobbits could fool beasts into thinking they were giants. But I also believe that practicing this stilt walking was just as important as the actual hunting. For, by falling repeatedly, the Hobbits discovered a new form of entertainment – tumbling. And by combining their tumbling skills with the stilt walking and the taunting of savage beasts, these squat, hairy savages seem to have invented a form of (literally) low-brow entertainment that I believe evolved (but not by very much) to become that freakish spectacle that we now know today as "the circus".

Reason enough, you might think, for any supposedly real supreme being to wipe these

deformed dwarves off the evolutionary menu. But it seems not, for their little furry hands remained busy and before we head up a sedimentary layer to the "Golden Period" of Homo floresiensis' time on this planet, it should be noted that I distinctly recall from my research back in '72 that there was good proof they took their "circus" on the road, travelling across the Eastern World, delighting semi-evolved crowds and beating their chimp cousins with sticks.

GOLDEN YEARS

Whilst research on the Flores site is currently still on-going under the supervision of "qualified" experts, my 1974 book, *History's Stunted Cunts*, on the Hobbit race records in painstakingly accurate detail how, after making a fortune in fruit, shiny rocks and hominid teeth on the road, the Hobbits decided to return to their homeland. And it was here that their finest moment of invention came... During my original excavations, I uncovered several large pits containing fossilised coconut halves with small holes carefully punched into the top. Each village within the Flores area possessed a similar pit... with seemingly no explanation. Then, on the Wednesday, I remembered their cunningly constructed hedge trimmer and my thoughts turned to animal sinew. Animal sinew + coconut halves? Every village? What could it mean? I explain it best in my book: "As I pondered the conundrum, the phone rang. I put my trousers on and answered. It was a wrong number, so I took them off again and returned to my musings. Then it hit me, like a woman striking you after a

lewd suggestion: telephones! By attaching the coconuts to epic lengths of sinew and running them between villages, the Hobbits had created the world's first – albeit basic – distance vocal communications system!" Yes, these Munchkin freaks were clearly and evidently running a communications network, helping them to stay one half-step ahead of all the other surrounding subspecies, warning of potential raids and swapping evolutionary tips – which probably occurred on a daily basis at this point in time. So how can a race so short in height and looks, but gigantic in technology and wealth have died out around 11,000 years ago? Simple...

FIN

Obvious really, isn't it? Anyone that well off and secure in his advanced warning system is going to get lax eventually. It's my belief – backed up by science – that the Hobbits forgot what got them ahead in the first place: stilts. Without the ability to scare off and rise above predators, the Hobbits were just fat, hairy, fair game, and no amount of shouting down a coconut is going to help you when you're half way down the gullet of a Komodo dragon, being stamped on by vengeful pygmy elephants or taking a right good twatting from the Homo sapiens who have realised that, despite all the other hardships of evolution, the one thing they really can't stand is a complacent, self-righteous little twat. And when the "qualified" experts digging now realise that they're woefully out of their depth, they can find my book on eBay and ring with a fucking apology. ♣

A DISH CALLED WANDA

And her equally edible girlfriend Anita!

PHOTOS: NICHOLAS SAGE

If you think these two hot-to-trot babes look like the sort you'd see spending a fortnight in the summer strutting their stuff on a podium in an Ibiza night club, you'd be absolutely right. They make an annual migration to the Balearic Isles where it's all about the letter 'S'. Sun, sea, sand and in their case, Sapphic sex.

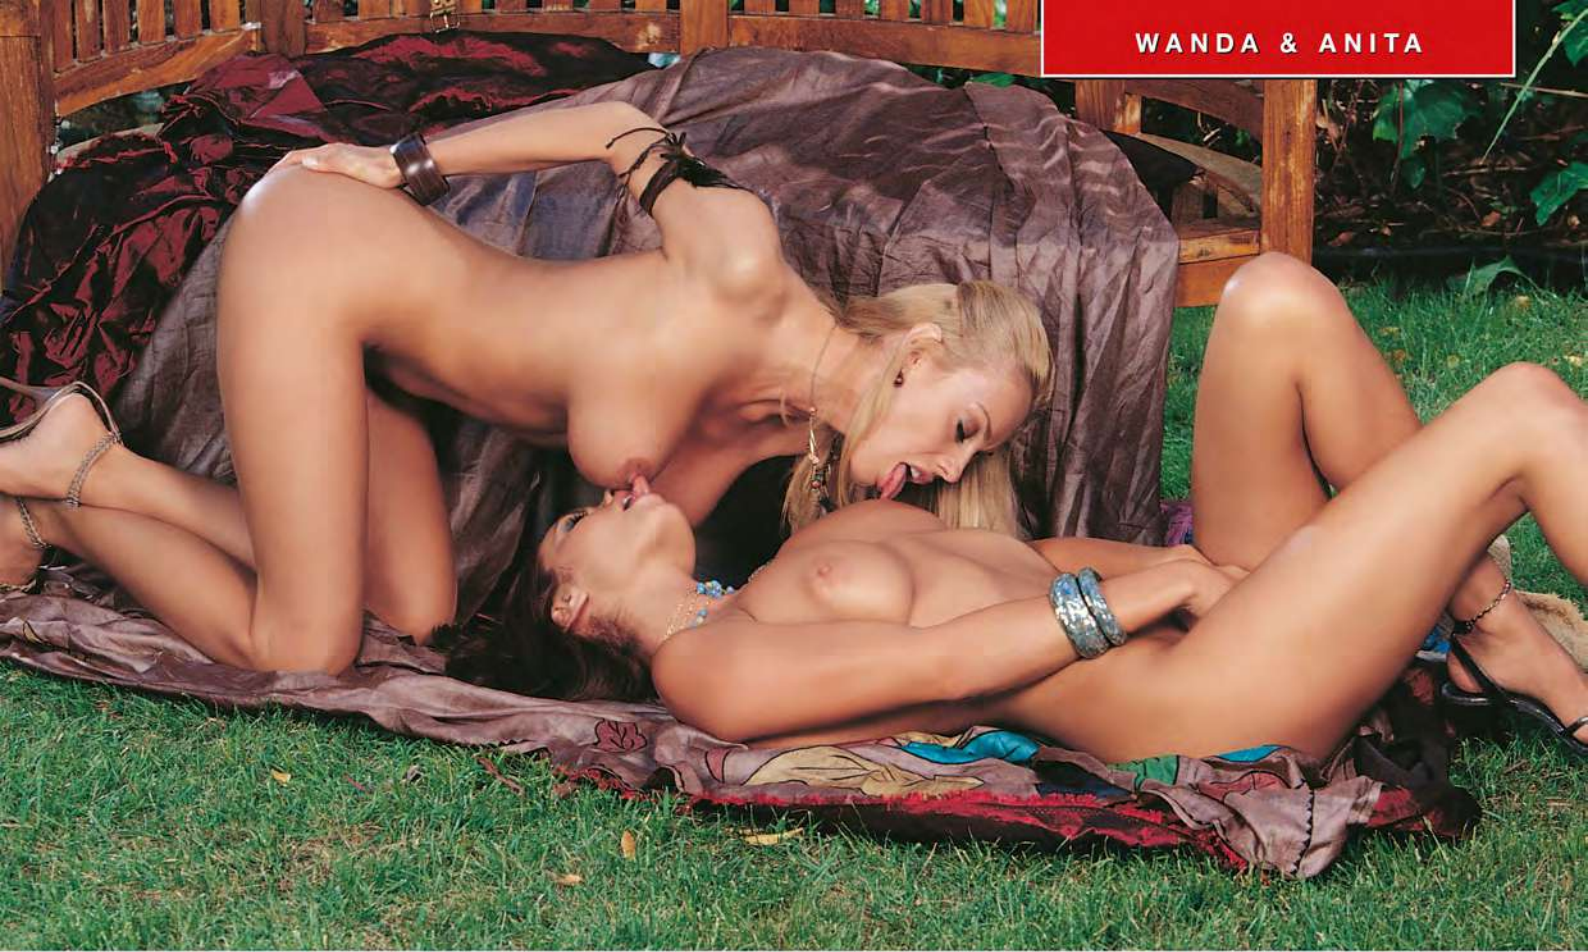

"We met on holiday several summers ago and hit it off straightaway," Anita, the blonde beauty told us. "I had seen Wanda on the beach one afternoon and then when I was in a club later that night I recognised her dancing by the bar."

"I hadn't really noticed Anita on the beach but she certainly caught my eye when she started dancing in front of me in the club. It was one of those foam parties and when the place filled up with bubbles I took my chance. I went up behind her and started rubbing her thighs."

"I was a bit shocked when Wanda did that but when I saw it was her I couldn't have been more pleased. I don't think we need to explain how things escalated from there. Especially since it's the place where anything goes."

Well, we now know why you like going back to the same place every year! ♣

Your FUTURE in the Sta-hars!

by the world's second richest peg-leg, "Long" John Silver...

"Ah, fuck!"

Aries

(Mar 21 - Apr 20)

Ha-har, mateys. 'Tis I. Your old shipmate Long John. This month be a rum 'un for those of you swabs born under the sign of the ram, and no mistake. So gather round and no word of this to anyone. Mars and Neptune both be in the Second House and Flint himself only knows what the rascals may be plotting. But I tell 'e this much, me hearties: Treachery is in the air. Not just treachery, mind, but treachery most foul. For the next four weeks not a solitary soul may be trusted. So belay the chit-chat, boys, keep your weapons handy, and await my signal.

Taurus

(Apr 21 - May 21)

If you've been unhappy at home of late, now may be the ideal time to run away to sea and sign on as the cabin boy. Unless, a-course, your first name be Roger. In which case stay at home, for to the majority of ill-educated mariners, taken together, your name and rank sounds like a direct order.

Gemini

(May 22 - June 21)

Your personal finances may take a turn for the better this month when you find yourself in receipt of an unexpected windfall. The temptation may well be to blow the lot on some fancy luxury item, but you'd do best to handle things in pirate fashion. Pack your newfound bounty in a stout leather chest, sail it to an island, bury it, then slit the gizzards of your mates so no tongue survives to wag about your nest-egg's

location. Divide a map in half and manage to lose half of it so that your attempts to make a withdrawal will be needlessly delayed for two and twenty years of fruitless searching. That is the buccaneer's way, lads: you may take it or leave it. Just beware of entrusting your bounty to the building societies and their fancy APRs. These people are rogues.

Cancer

(June 22 - July 23)

An elderly castaway with psychiatric problems may start pestering you for money he claims that you owe, repeating his name and scrabbling wretchedly at your clothing. Your first impulse may well – and justly – be to slit his gizzard. But check out his occupation first. Since the last slump in house prices many bank managers are behaving like this.

Leo

(July 24 - Aug 23)

One way or another a brutal flogging is in store this month, so mind your Ps and Qs for starters. Don't let your parrot shit on your shoulder and leave your bunkmates alone, more lovely though they may appear the further that ye get from land. Ha-har. Self-flagellation is a less harmful option, especially if your former naval service has blessed your whip-hand with a hook.

Virgo

(Aug 24 - Sept 23)

A wealthy stranger may approach 'e later this month with an invitation to fly out to a gang-bang at his island home. This might turn out fine, but be sure to make enquiries of the Admiralty first

as to whether he has ever been a pirate. It is not for nothing that some bent buccaneers coin the phrase "Fifteen men on a dead man's chest" when they gets excited. What they talk of be known nowadays as a cluster fuck, and though homosexuality may have been legalised, necrophilia be still a grey area.

Libra

(Sept 24-Oct 23)

Sharks can get their heads up the toilet pans in the South Seas, bite you in half while you're crapping and duck back into the deep. So if 'e be plying in that direction, remember what the poop deck's for and don't forget to flush.

Scorpio

(Oct 24 - Nov 22)

You should take special care this month to steer clear of visually challenged crims in cloaks and dark glasses. If, however, you should be unable to avoid Pew and he tips you the black spot, the most clever policy is to pre-

A GLOSSARY OF SEXUAL TERMINOLOGY...

Some sex terminology and erotic practices with which one or two of our readers may not already be familiar. So if you don't want to appear naïve on lads' nights out, best bone up.

HYPOTHETICAL ERECTIONS

A once popular Victorian sexual device for ascertaining the extent of male arousal. The erectometer

was a small, easily portable machine capable of accurately measuring the most minute penile stirrings from as far distant as 11ft from the subject. The inclusion of a ticker-tape mechanism in the Mk IV, which first appeared in the early 1880s, supplied the lady of the house with additional information as to how attractive (or not) her husband found her by recording varia-

tions in the angle at which her partner's penis was elevated both before and after she flashed him her tits.

CROWN OF LUST

A paper party hat in the shape of a crown which is sometimes passed around as male headgear in the course of large-scale gang-bangs to distinguish which bloke's turn it is.

tend that it wasn't the black spot he gave you and he hasn't tipped you with it yet. After all, how the fuck would the blind bugger know whether he had or not?

Sagittarius

(Nov 23 - Dec 21)

Sagittarian sea-cooks aboard ill-stocked vessels may face obstacles in performing their duties to their commanders' satisfaction this month, but these are not insurmountable. Should your captain complain that his vitals are too bland and demand that you whip up a tossed salad, you should use your initiative. Five minutes in an empty ship's pantry with an issue of Club and a lettuce leaf and you'll be well able to serve him the dish of his fancy.

Capricorn

(Dec 22-Jan20)

Most Capricorns are actors, and if you're One Of Them, then this could be the month that you could finally see the biggest part of your career flop into your lap: a starring role opposite the lovely Penelope Keith in the forthcoming naval situation comedy, *To The Man'o'War Born*. Avoid all involvement in this project like the plague. The series is likely to be more of a bust than the pun. If, indeed, that be at all possible.

Aquarius

(Jan 21 - Feb 19)

For some time now you may have been regretting your decision to become an 18th century pirate – there's no tottie aboard, and you're frantic lest your mates will all conspire to bump you. Your worries, however, are due to naivety. A buccaneer's life can be lengthy and fun. Just don't walk any plank you can't spank.

Pisces

(Feb 20 - Mar 20)

Lower limb amputations feature large in your stars this month, Jim Lad, so avoid leg loss situations to the best of your ability. If, however, the worst should befall, your life is not over. You can still enjoy sex. Just be sure when you're mounting your wench/cabin boy, that the leg you get over is the one that's still there.

Got a problem you're too embarrassed to share with your mates? Then why not share it with the nation instead by writing in to Club's very own Agony Aunt/sex-crazed porn star wannabee, ASPEN MARTIN?

Ask Aspen!

DOG-GONE DOWNHILL

Dear Aspen,

I've been a keen dogger for years now, regularly getting my rocks off watching other blokes' wives getting a good seeing to in the back of their cars. Many's the time I've knocked one out over the rear wind-screen whilst some game bird's getting double stuffed on the rear seat, and as well as being good fun in itself, it means I've always got something to write about when Christmas card time comes around. However, in recent months I've noticed a definite decline in the quality of the action to be found. There was a time when you were guaranteed a few nice Jaguars, one or two Rolls Royces and even the occasional Bentley to perv into, but these days things have gone decidedly downhill. Last week I had to make do with a Fiat Panda, two Mondeos and an Allegro. Needless to say, it took me ages to finish myself off, and if this carries on much longer, I might just knock the whole thing on the head. Any ideas what's up? *Disenchanted, Dagenham.*

ASPEN SAYS!

Dear *Disenchanted*, All I can suggest is that the wealthier folk of your area must have found themselves some new dogging sites. Get online and track them down quickly, before all this spunk-

ing over the cars of the hoi polloi drags you down into the mud.

I FEEL TRAPPED INSIDE A MAN'S BODY

Dear Aspen,

I write because I suffer from a rare form of gender confusion. Although happily married for the past 20 years, recently I've come to feel trapped in the body of an overweight middle-aged man. This makes it very hard to knock out emails since I have to wait until the fat bloke falls asleep at his computer before I can reach up quietly inside his arms and type stuff with his fingers. One of the most confusing aspects of my condition is that I have no recollection whatever as to how in fuck I wound up inside this great lumbering twat. I used to

lead a normal family life in Maidstone with my husband Ronald and our children Cedric and Paul. Now I'm stuck inside some obese accountant in Oxford. It is horrible to look down through his eyes while he drains his great flaccid penis over the bogpan, and wiping his arse is a nightmare. Have you ever heard of someone suffering from such a condition? - and, if so, do you know of a support group I can influence the great oaf to attend? I ask since I feel it would be beneficial to my mental health to consort with the "host blokes" of other women who feel trapped in a male body. Yours before he wakes up and needs another piss, *Eileen, Oxford*

ASPEN SAYS!

Dear Eileen, This is not as uncommon as you might think. Only a few months ago I got a similar letter from a 12 year old boy who found himself trapped inside the body of a senior cabinet minister. As of all that poring over dispatches wasn't enough for the poor wee lad, all the going's on at his ministry's Christmas party had completely traumatised him. Luckily, though, his "host minister" is frequently too tired and emotional to get much done, meaning my correspondent was able to perform marvels at the department, sorting out all kinds of nonsense that had been going on for years! As for support groups – just deal with it, yeah?

Kissy kissy,
Aspen x

FANTASY TEAG

*Check out Teagan's magic carpet.
So magic, it's disappeared!*

PHOTOS: DIGITAL PLAYGROUND

When we suggested to mega babe Teagan we base a photo shoot on her favourite fantasy, we thought she'd choose something simple like sex in the woods or by a swimming pool. But no, her ultimate fantasy was inspired by her love for the tales from *The Book Of The Thousand Nights And Another Night*, so off we went to the Persian Gulf for a few days...

"Ever since I was little I've loved the Arabian nights stories," she told us. "I would have loved to have been around in such a mystic place. Imagine being a member of a harem – that would be my ultimate dream! I'd be at the beck and call of some Persian king, although I wouldn't be very good at convincing him of my fidelity, especially if there were plenty of chances to get it on with other girls in the harem. Life would be one big orgy and one thing's for sure, I'd certainly keep him up for 1001 nights – but it wouldn't be with folk stories!"

We've got a 'magic lamp' you could rub, if you like. There might not be a genie in it, but something might pop out? ♣

The Club International Stereo of Filth & Love!

Brought to you by Club's No. 1 music madman DJ Radio Jamaica

Primal Scream Riot City Blues (Columbia)

To be honest, the Primals' 8th album is a bit of a step backwards from their last two. Gone are the drum machines and belting electronics, in come the harmonicas and Wild West instruments you'd expect to hear in a John Wayne film. It's great, it's rock'n'roll – this is Primal Scream of course. But you can't help wishing they'd have dropped the banjos and picked up the Casios.

Feeder The Singles (Echo)

Seventeen singles including Buck Rogers, Just The Way I'm Feeling, Seven Days In The Sun, and the classic High plus three new tracks from the band who are named after a piece of fishing equipment. Having already supported the likes of REM, U2, and The Rolling Stones, you should catch them live at T in the Park and the Reading and Leeds festivals because they always have loads of fit little indie chicks watching them.

Boy Kill Boy Civilian (Vertigo)

Having seen these four East End lads perform an amazing show at London's Turnmills eighteen months ago before they were signed, it's no surprise that the band were asked to support Hard-Fi on tour and are now label mates with The Killers and Razorlight. Can you remember when Mansun arrived in Britpop? Well it's a bit like that really; it's all a bit different to everything else out there but in a really good way. Whereas the Hard-Fi album will get you a hand job off an Essex girl in Burberry, Boy Kill Boy will probably get you laid off a few of those hairy gothic types with the S&M gear under the bed. Nice.

Rod Stern Give It Up For Rod Stern (Tapestry Records)

Imagine Bob Dylan playing Beverly Hill Billies songs with Chubby Brown's lyrics and you've got a pretty good idea of what this cheeky monkey gets up to. Between her legs looked and smelled like an abattoir, but I'd be lying to you if I said I didn't take her upstairs and pound on those bacon rolls anyhow. We've all been there and this live recording is a cracker.

Keith Red Thread (Lucky Numbers)

Jingly jangly acoustic pop songs with loads of little odds, sods, bleeps, and blobs form a musical bag of liquorice allsorts perfect for the aftermath of a session on the synthetics. A top job from the four lads who met at Manchester Uni.

OH, BOY!

Wanna shag girls and do charity work at the same time? Boy Kill Boy drummer Shaz explains how...

How did you generate cash back in the early days?

The last job I did was knocking on doors. You know those annoying people that stop you in the street and try and get you to sign up for a charity? Well I was basically doing that but knocking on doors. People could choose whichever charity they wanted and it was a good laugh. I was doing it with a few sound people and you get to meet a person every five minutes 'cos you're banging on their door so it was actually pretty good.

Did you ever get invited into the houses and blag yourself a free brew and perhaps the odd scone?

Yeah, all the time. Sometimes it was freezing and they'd open the door and they'd do anything for you! But the richer the family or the bigger the house, the less friendly they were.

What was the most scones you managed to blag?

Well, I met up with a couple of them afterwards and got their phone numbers so I guess that was the most. If you knocked on the right door at the right time and people were having a barbeque then you'd get invited in for a few beers which was quite cool.

So you were supposed to be saving the world and you were off gallivanting at BBQ's. Good lad! Did you ever have sex with a woman as a result of it?

Ern, yeah! A few times! Not on the first time you met them – it was always if you met up with them afterwards. To be honest, everybody was at it, and if you tried hard you could do quite well but I wasn't that interested really.

What a fuckin' lad! Ever been in a freak accident or had your leg sawn off?

Well, I broke a few bones when I was a lot younger and I got smacked in the face with a golf club once. That wasn't very nice but it was totally my fault. I was about seven years old and fuckin' about with the golf clubs in my back garden, trying to actually play golf. I stood behind my mate who was about to hit the ball, and he swung and whacked me right in the head. I had to go to hospital and have stitches and it was all horrible. There was a big hole in my head and I've still got the scar near my eye brow. But then again, it does look quite manly.

Nice. Did you get a lollipop for being brave?

I got some jelly and ice cream so it was alright in the end!

You certainly did. She literally

handed it to you on a plate. What sort of pornography are you into?

It's always quite funny on our tour bus because we've got bunks with little DVD screens in each bed and it's all linked to the main DVD player at the front of the bus. There's always like a point in the night when everyone goes to bed or whatever and it's great fun to wait for half an hour and then just stick on the sickest porn film you've ever seen. Everyone in their bunk has to see it so we do that quite a lot. The only website I can really think of is The Hun.

Ah, The Hun. The yellow pages!

Yeah! I always like the jokes at the front. It's a nice way to wake up in a morning.

Getting back to that DVD thing, have you all ever been simultaneously wanking in your bunks with your own little private screen?

No! It's just if someone's asleep then their screen is always on so you can wake them up or whatever.

You're a legend Shaz, cheers mate! ♣

JULY 2006 FESTIVAL DATES Get your shorts on, watch a band, have a beer, take a girl's knickers off

T IN THE PARK

8TH - 9TH JULY IN KINROSS, SCOTLAND

This is without a doubt the best festival line up of the year. The Scots are a nice bunch too – the last time I went they were handing out

free pills and you can't fault that! So make sure you pack your kilt and check out the Chili Peppers, The Who, Franz Ferdinand, Kaiser Chiefs, Arctic Monkeys, The Strokes, Primal Scream, Hard-Fi, and The Futureheads.

RISE: LONDON UNITED 2006

8TH JULY @ FINSBURY PARK

It's going to be messy; there'll be plenty of rude boys and yardies about not to mention Graham Coxon, The Buzzcocks, The Wailers, and Killa Kela. But fuck it, it's FREE!!!

GLADE FESTIVAL

14TH - 16TH JULY @ A SECRET LOCATION

This is the thinking man's Creamfields and the line up and location are revealed at the last minute. It will be good.

GLOBAL GATHERING

28TH - 29TH JULY IN STRATFORD ON AVON

Loads of top dance acts will be there but all you need to know is Daft Punk are playing, so you now haven't got an excuse not to go – have you?!

COOL, BREA'S ON THE COCKS

*The hot weather can do
funny things to a girl.
Just ask this one...*

PHOTOS: JACKS

Blonde bombshell Brea has been making the most of her leisure time by lounging in the sun, but just like an old vinyl record, her mind has been warped by the heat. You see, for a moment Brea had decided that she was giving men up for good. Now that's not too bad since we personally believe – and we're sure you'll agree – she'd make a cracking lesbian, but knowing her too well we worried she'd be lost without a regular dose of cock. And we were right.

"I don't know what I was thinking! I'd been satisfying my Sapphic curiosities recently and really got into the lesbo thing. It felt so refreshing to have sex with another girl. The flirting, the foreplay, the oral – it's all so different. I had one mind-blowing marathon session with a female friend from work and that was it. I was convinced I'd never sleep with a guy again. Then it dawned on me that I'd never have a man handle me firmly, I'd never feel a cock bury deep inside my arse and, worst of all, I'd never taste another drop of spunk ever again. It's at that point I realised I couldn't live without such pleasures."

Phew! We're glad you're thinking straight now! ♣

PHOTOS: RUDEBOY

Talk about going to extremes. The last time we featured the aesthetically pleasing Adriana she was prancing about naked in the snow. That's right, she went starkers in sub-zero temperatures. And now she's doing completely the opposite. The sun is out and her clothes are off. Is there anywhere she won't get naked?

"I'm not bothered where I take my clothes off. I know I've got a great body so why not show it off? Plus I'm always looking for an opportunity to top up my tan and I hate having white patches so my knickers and bra have to come off too. I've never had any complaints. In fact, I seem to get a lot of attention when I strip off. You wouldn't believe the amount of men I've left speechless as I've got naked. Of course, the ones I take a liking to remain speechless. Well, have you ever tried having a conversation when you've got a juicy pussy in your mouth?"

No, but we've often typed some words on a keyboard while thinking about it! ♣

READER'S GIRLFRIEND

Reckon your better half could be one of our best? Then get her to send a picture of herself, along with her name, address and a contact telephone number, to Readers' Girls, Club, 2 Archer Street, London W1D 7AW. If she fits the bill she'll get a top photo shoot and a **£200** cheque, too!

PERSONAL DETAILS

NAME: Lexi

AGE: 19

VITAL STATISTICS: 34-24-34

WHAT'S SHE LIKE? Always the one coming up with the filthiest suggestions!

WHY DID YOU WANT TO BE IN CLUB?

I'll try anything once, especially if it involves sex, so how could I possibly not want to get naked in a porn magazine? I've done loads of dirty photo shoots with my ex-boyfriend and he's put all the pics up on the internet. To have photos of me in Club International is something else!

SO HOW DO YOU APPROACH A GUY?

I usually get lucky when I'm out clubbing. When I'm on the dancefloor I always pretend I have an imaginary pole or I grab a female friend and so some dirty dancing with her. That soon gets the guys' attention.

EVER DONE MORE THAN JUST DANCE WITH ANOTHER GIRL?

I've had a snog and played with my friend's boobs, but I haven't gone the distance yet. Most of my mates bottle it when I try to take it further. Anyway, I'd much rather have a threesome with a bloke involved.

WHAT ABOUT JUST YOU AND TWO MEN?

I've done that a few times. There's nothing more satisfying than sucking on a dick while taking one in the pussy. What's even better is that it all seems to last longer when there's three of you and I get to be the centre of attention each time they unleash their loads!

A FAN OF THE WHITE STUFF THEN?

Yes, I'm probably the biggest fan! ♣

24 Hours In London

(Orchid) ★★★★★

How many supposedly classy porn flicks are made to look silly as soon as the performers open their mouths and attempt a bit of dialogue? The answer, in case you don't know, is pretty well all of them, so this effort from new studio Orchid has decided to avoid the problem by doing away with any talk – and indeed any grunting/sex noise at all. Instead, each of the nicely shot scenes is accompanied by a groovy, Latin-tinged acid jazz soundtrack. It looks great, and with suitably rude performances from the like of Bobbi Eden, Aliyah and Elle Brook, the smut's top notch. Nice looking settings, clothes and studs add to the overall feeling of quality, although whether the lack of grunts will be enough to take proper scruff to a whole new level of respectability is surely a moot point...

DVD

Ghetto Fabulous

(Ninn Worx) ★★★

Lovers of nicely shot porn coupled with extended hip-hop interludes will absolutely cream their strides over this one. First up tasty brunette Eva Angelina gets jiggy while Wesley Pipes does the rapping, before he finally pushes off and she does the wrapping – of her lips round Mr Marcus's cock. It's a cracking scene, too, although it's a shame the pop's so carelessly filmed. Next up oriental Mika Tan gets down with Wesley himself. She looks stunning, and takes a blistering backcutting, too. The last scene features two girls, Ashley Brooks and Lyla Lei in true *Pimp My Ride* style.

DVD

Ass Attack 3

(Red Light District) ★★★

Not all porn's poncy high-end stuff, so we thought we'd round off this month's trio with an honest gonzo flick just to remind ourselves what it's all about. This is scruff without the frills, although that's not to say the girls, sets and camerawork aren't up to scratch. There are five scenes, each featuring pretty attractive girls getting it on with either Michael Stefano or director Manuel Ferrara. It's all single boy-girl, starting off with some oral, some vag and then some frantic anal. If that sounds OK to you (and it's a hard formula to argue with), then fill your boots. We particularly liked the hugely-nipped Latina Havana Ginger – and not just for her name.

DVD COMPETITION

The Triangle

(Momentum) ★★★★★

Blimey - these DVD producers don't hang about, do they? This high budget mini-series about the Bermuda Triangle was only on the telly about a month ago! Initially aired last year on the Sci-Fi channel in the States (where it broke viewing records), this is a pretty classy effort, with plenty of nice special effects from Oscar winner Volker Engel, a solid cast and a decent enough plot. Three 90 minute episodes make this meatier than your average flick, and plenty of extras on the DVD should keep nerdy types and *Lost* fans equally happy.

DVD

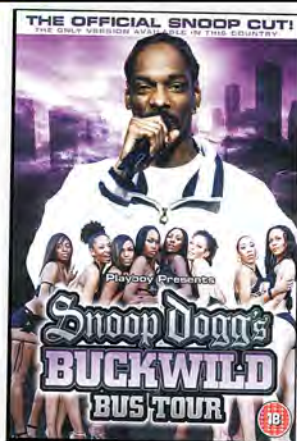

The Street

(Granada Ventures) ★★★★★

What an idea - a drama series about the trials and tribulations of the residents of a particular street up North! A quick glance at the cast, however, will tell you this ain't some sort of *Corrie* tie-in - rather it's Jimmy McGovern's well-received series of dramas that aired on the Beeb not long ago. Featuring the likes of Timothy Spall, Jim Broadbent and Sue Johnston, it was always a pretty safe bet that there'd be a fair few downs among any ups, but this is still eminently watchable stuff, and as good a portrait of modern Britain as you're likely to find on the small screen.

DVD

Snoop Dogg's Buckwild Bus Tour

(Playboy) ★★★★★

When he's not larking around at Heathrow with his mates, smashing up shops and things, it's a pretty safe bet old Snoop's hanging around with large-bottomed ladies givin' it some rap. And in case you don't believe me, here's a film of the man doing just that. It features some mildly explicit videos to accompany his songs, but if you're one of these people who think rap should be spelt with a capital 'C', you can always mute the TV, put on a Mozart CD and still appreciate the on-screen filth.

DVD

Mirrormask

(Sony) ★★★★★

There was a time when Jim Henson's company ruled the world with it's unrivalled use of puppets. Now CGI's taken over, and we get films like this: visually stunning family entertainment in a similar vein to *The Dark Crystal*, but which somehow lack some of the older films' magic. Perhaps they're still finding the feet a bit with the new medium, although to be fair it's not the techie stuff that's the problem - rather, perhaps it's the plot and the real life action. That said, it's still very pleasing on the eye, and should go down well around Christmas, say...

DVD

Fausto 5.0

(Metro-Tartan) ★★★★★

The age old tale of Faust and his ill-omened pact with the Devil gets a stylish Spanish makeover with this effort from a trio of hot directors. Starring Miguel Angel Sola as the hapless Dr. Fausto, it's a pretty engaging tale, with a bit of kinky Euro smut to keep things rolling along. It's picked up loads of awards since its first airing in 2002, so it's about time it got a DVD release over here - and for lovers of quirky European flicks it should go down well. Probably best not kept on hold for when you fancy a post-pub no-brainer, though!

TOYS AND STUFF

Sheila's Comforts

(Sheilascomforts.com)

Well, if working here has taught us anything, it's that fantasies come in all shapes and sizes. Luckily, so do these whopping fantasy-fulfilling boxes! If your other half fancies getting ravished by an Arabian Prince, abducted and

probed by aliens, or you just want to give the French Maid a good shafting - you'll find it all in one of these boxes. There are 12 to choose from, crammed full of toys, outfits and roleplay games. Why not have a go?

DVD

Pusher Trilogy

(Momentum) ★★★★★

Say what you like about modern cinema - there's certainly no shortage of movies that revolve around drugs, criminals, guns and all the unpleasantness that goes along with them. Unfortunately, most of them are a bit on the shit side, which makes this trilogy of films from Denmark's Nicolas Refn all the more welcome. Starting out with 1996's original, the films track the (mis)fortunes of three characters who get dragged into a hellish world of incredible violence and the ever-present threat of a horrible death. Not many gangster flicks get a showing at the NFT - but these are, which has got to tell you something about their pedigree!

A BIT OF BOTH

I've been having lesbian sex off and on for three years now. I love cock and I'd never want to be without it, but my girlfriends have a way with my pussy that sends me into paroxysms of pleasure. But what I've only just got round to doing is fulfilling my fantasy of having both cock and cunt at the same time.

I love fucking Angela. We spend entire evenings eating one another out, and fucking each other with strap on dildos. Anyhow, last week Angela told me she wanted to invite some guy round she'd met through an Internet chat-room for a mighty sex session, so this was to be my big moment.

Now I must admit that, despite my rather prurient sexual desires, fucking some guy I'd met via a website seemed a bit too sordid, even for me. But Angela was sure that he was just a decent and respectable young man who happened to want some pussy, and given that we wanted some cock there was premise enough for inviting him round.

James must have known exactly what he was in for, but he seemed really nervous when he arrived. He shuffled about the place like he was lost, and I thought he was going to have a heart attack when Angela and I began to take our clothes off, kissing and groping each other's tits.

"Well don't just stand there," said Angela,

breathlessly. "Get yer kit off and join in!"

He got undressed quickly, but then just stood there pulling his penis while I went down on Angela. She lay back on the sofa, legs akimbo, and I knelt between them giving James a perfect view of my cunt and asshole.

I parted Angela's flaps wide so that I could tongue her cunt very deeply. I used both hands to open her up and I stuck my tongue right inside her. I gave her clitty the occasional flick, and then worked my way gradually lower and lower, down to her bum hole.

Angela makes one hell of a noise when she comes, and

"Arching my back, I braced myself for a fucking"

she was getting very close. She bucked her hips wildly and squealed as I started to stimulate her anus with my forefinger, and the profusion of love juice flowing from her gaping sex told me she was about to come. James, meanwhile, could take no more, and I felt him grab my hips from behind, and the moist tip of his cock nudged my buttocks.

Arching my back, I braced myself for a fucking. James was fumbling with my cunt, and I could feel his hands shaking with excitement as he rubbed my clit. He had his cock in his hand now and he was clumsily taking aim, his prick poking up between my buttocks as he prepared to fuck me; I actually thought he

was going to do me up the bum at first. But eventually his frantic fumbling brought his cock to the entrance of my cunt and, grabbing my hips again, he rammed it home, impaling me in one gigantic thrust that pushed my face right into Angela's minge.

James's inhibitions seemed to evaporate as soon as he was inside of me, and he began to fuck me hard like a true sexpert, varying his strokes and groping my tits. Angela wasn't the only one who was on the brink of orgasm, and I could feel that familiar sensation of coming building up inside me as James pounded away.

In the event, Angela and I came at the same time. James's staying power was nothing less than astonishing, and he just carried on pumping me as I came all over his cock, my twat gushing cunt-cream as my body was wracked by one almighty orgasm. I sent Angela over the edge with a well-timed finger up her arse, and I actually used her minge to stifle my screams as I spasmed over and over again!

As my orgasm subsided, I felt James pull his cock out of me, and he nudged me to one side and dived at Angela, who held her cunt wide open for him. I could tell by the strained look on his face that he was going to shoot his load soon, but clearly he wanted to fuck Angela first. I watched as he clumsily mounted her, and drove his penis into her vagina.

"Oh fuck yes, that's it!" he grunted as he started thrusting in and out of my girlfriend's pussy. Angela wrapped her legs around him and grabbed at his buttocks, as though trying to pull him further inside her. The force of his fucking

was so intense I don't know how Angela managed to take it!

I knew James would be chucking his custard very soon, and I wanted to swallow it. I watched for the tell-tale signs of ejaculation, and then offered him my open mouth. He seemed to like the idea, and pulled out of Angela's cunt well before he started to jizz, fucking my mouth with gusto before he finally let rip and flooded it with his spunk.

You'd have thought he'd have been pretty exhausted after that, but after a short break he was at it again, and spent the whole evening fucking me and my girlfriend every which way. Eating cunt out with a hard cock pumping in and out of my pussy turned out to be a thoroughly happy experience that I am in a very great hurry to repeat! – *Josephine, Longport*

LUNCHEON MEAT

For some blokes it will always remain a fantasy to see their wife or girlfriend with another woman, and for a lot of blokes it will always be their wildest dream to participate in a sweaty romp with two horny girls. Well, just over a month ago I was able to turn my fantasy into reality

when I received a message from my missus telling me to come home during my lunch break.

I left work hoping that my wife had planned something more than lunch for us both. All thoughts led to her demanding a serious afternoon shag from hubby, especially since she had left three days ago in a very horny mood for a managerial course in London. My guess was she probably wanted to relieve the

for as I made the way to our room. There was my wife; on her knees with her legs spread apart, being seriously pleased by an extremely dirty looking blonde who was dining on her pussy. Having deliberately positioned herself so that she faced the door, ready for my entry, she greeted my expression of initial shock with a cheeky grin. My wife then closed her eyes and moaned with pleasure as she enjoyed the

“He rammed it home, impaling me in one gigantic thrust that pushed my face right into Angela’s minge”

tension from her trip by abusing her husband's nice hard cock before returning to the office.

Sure enough as I pulled up to our house, my wife's car was in the driveway. I kept my fingers crossed that she was already in the bedroom wearing the knee-high stiletto boots and black fishnet hold-ups that she said she had picked up during her three days away. Well, didn't I get more than I had hoped

moment her husband first caught her in bed with another woman.

“This is Claire,” cooed my wife, “isn't she gorgeous?”

“Ermm...yee-aaaahh,” I stammered, my voice trembling as my pulsed raced, my eyes not quite believing what they were seeing.

“Don't you just love what she's wearing babes?” she said, glancing at Claire as she wriggled across our sheets, lapping up my wife's

pussy juices with her tongue.

“Very nice,” I stammered again, marvelling at Claire's sexy black stockings, red suspender belt and strappy stiletto heels. By now my cock was visibly bulging through my trousers.

“Aren't you going to get that out? I've heard it's quite something,” suggested Claire, as she reached across for my wife's giant dildo, which was sitting on the bed.

“I can't wait to watch him fuck you babes, you're such a dirty bitch who needs a good hard portion of cock,” added my wife's seriously filthy friend. I couldn't believe what I was hearing, however as I watched the mischievous girls rub their breasts together and fingering their wet pussies, I pulled off my clothes to reveal my stonking hard-on. Climbing onto the bed, my wife gasping for breath as Claire filled her with 12-inches of vein-clad rubber, began sucking furiously on my erect member. Obviously enjoying the sight of saliva running down my shaft, Claire began to lick the soaking wet dildo, which had been between my wife's legs.

“Come and taste hubby's cock,” demanded my missus as she

pulled Claire towards her, kissing her passionately. I just loved watching them both go at it. It was like something you would normally only ever see in porn films, but now I was getting my own personal show involving my wife and a filthy blonde!

As I tugged on my cock while watching the two ladies devour each other, I was summoned to action once again.

"Give it to me now baby," called my wife, arching her arse cheeks towards my dick, inviting full penetration of her parted pussy lips as she fed on Claire's shaven minge.

"Fuck me hard you filthy boy," she demanded.

"Yeah, fuck her good with your big thick dick," moaned Claire who was seriously enjoying every flick of my wife's tongue on her dripping wet cunt. And fuck her I did, grasping her arse as I slid my length in

and out of her soaking gash. I couldn't have enjoyed the moment any more as my balls slapped off her skin, with the only other noise coming from the two sex mad nymphos, moaning with pleasure as they approached climax.

First to come was Claire. The filthy slut was pressed firmly

sack. But I was determined not to finish, especially with one other lady left to please.

"Naughty girls get fucked up the arse," I explained to my wife as I flipped my back onto the bed whilst pulling her away from her grinning friend.

"Claire can lick my pussy as you

"As I rammed my cock into my wife's brown hole, Claire kindly stroked my swollen balls"

against the headboard of the bed, her hands gripping my wife's head between her parted legs as she brought her pierced clit to orgasm. Just watching Claire scream with ecstasy as she came almost caused me to empty my bulging

give it to me babes, can't she?" Well that didn't need much deliberation and I immediately spread my legs open to make room for her. And I'm glad I did because as I rammed my cock into my wife's brown hole, Claire kindly stroked and gripped my swollen balls as she dined on pussy.

It wasn't long from that point that I realised I could hold back no longer. Pulling my hard dick from my wife's tight arse, I immediately shot what seemed like masses of hot creamy spunk all over the sheets and the two unsuspecting ladies! It was like a volcano had erupted as thick white jizz covered everything in the vicinity of my cock. The girls giggled as they compared who had been splashed the most by my projectile ejaculation before embracing in once last passionate kiss, as if to thank each other for their supreme efforts. As I sank my head between the pillows I sniggered, "you can't beat that for a lunch break, can you?"

Needless to say the rest of the day at work was a complete waste of time. I simply couldn't wait to go home and fuck my horny wife all over again. – Alex, Petersfield

BACK FOR MORE

I recently had to return to the village I grew up in for a friend's wedding. I hadn't been back there since leaving for London five years before and although I used to hate the place, I was looking forward to catching up with old friends.

On my first night back I went to the local pub. I used to work there when I was in my late teens and I was pleased to see the

same landlord was still there. But I was even more pleased to see some of the usual punters were still there – especially Robert.

It was Robert who had taken my virginity when I was only 18. He was a few years older than me and although he never left the village he was quite a confident chap. When I saw him again all the memories came flooding back and he looked pretty chuffed to see me again, too.

We got chatting straightaway and it seemed just like old times. Except he was now married with kids. I knew the girl he was married to but never got on with her, which explains why I didn't feel any guilt for what happened when Robert offered to walk me back to my parent's house.

As you can probably expect, we didn't go straight home. The minute we left the pub I was dragging Robert into the nearby woodland. He didn't exactly put up a fight and within minutes we were intensely snogging each other.

Locked in a passionate clinch, he explored my mouth with his tongue, kissing me until I thought I'd faint with excitement. As we snogged, I wondered what kind of trouble he'd get into for doing something behind his wife's back but this risk just made me want him more. When he released me from his grasp, I scrabbled to unzip his trousers and release his stiff cock. It was pulsating with lust, stretched to its maximum. I adore giving head and immediately dropped to my knees – keen to suck him off in the open air. I began by slowly circling the head of his prick with my tongue, cleaning up the silvery trail of pre-come that had already leaked from his cock eye. Then after a few tantalising minutes of lapping the length of his shaft, I gently eased my mouth around his entire width. At first I gagged on the amount of cock pushing its way down my throat but I soon grew accustomed to it and tightened my lips around his bell-end to make sure I give him the tightest possible mouth fuck.

His veins throbbed with excitement and as I built up a steady sucking rhythm I imagined he would fire his load quickly down my throat because of the way he was groaning and the momentum of his jerks. But he pulled me to my feet and I knew he had something else in mind.

Leaning me against a tree he then pulled off my jeans and prized open my legs. He didn't take off my soaking panties, but pulled them aside to get access to my dripping hole. He didn't bother with foreplay, he was too keen to get his prick inside me and that was fine by me because I was gagging for a shag. He stood between my legs and without any warning, rammed his thick muscle inside my tight

He rubbed them and pinched them hard until I knew I couldn't take it much longer. I ground my clit against his prick and in a couple of seconds the most unbelievable orgasm shuddered through my body. As I whimpered in sheer ecstasy, he seemed to quicken his hard jerks. His cock grew even stiffer, ready to shoot its cream and I prepared to feel my pussy fill up with spunk. But at the last moment,

“My tight tunnel stretched to accommodate his size and I squealed with delight”

snatch. His trousers dropped to his ankles as he started roughly pounding away at my hole, thrusting his prick right up to the hilt. My tight tunnel stretched to accommodate his size and I squealed with delight as his shaft bumped against my sensitive clit. I grabbed hold of Robert's buttocks, keen to pull him further inside me. He grabbed hold of my boobs and began squeezing my stiff nipples just the way I like it.

he pulled out. Just as I glanced down to see what had happened, he wanked his load all over my open cunt. He groaned in satisfaction as he tossed out every last drop from his prick, splashing his come all over my thighs.

After mopping myself up Robert walked me home as originally intended but not before promising to come and visit me in London soon! – *Annie, London* ♣

Where you can still leave your backdoor open

THE WRONG DOOR

I spent ages trying to get my boyfriend to fuck my bum but it was a chance encounter with a total stranger at a friend's house that provided the perfect opportunity to get my botty boffed. She's married to a rich entrepreneur and lives in a big house, which is great for parties when her husband's away. There are plenty of bedrooms so it's quite convenient to stay the night, and it's always a good laugh.

I was at one of these parties recently and I was just about to turn in when suddenly another guest, Harry, burst into my bedroom, looking rather lost. It was a bit of an awkward moment really – there I was, standing in my underwear, about to go to bed, when there he was, clearly expecting the room to be empty.

"Oh shit! Sorry!" he said, blushing.

"It's quite alright," I said, a plan already hatching in my mind. He stood there silently for a moment and I desperately wracked my brain trying to think of some reason why he should stay. I couldn't think of a damned thing, so I simply took my bra off, freeing my ample tits, and

then turned my back to him to lower my knickers, bending over to give him a full view of my bottom.

"Golly, umm... jolly nice!" he bumbled. "Nice bottom!"

"Like it do you?" I teased, patting my rump invitingly.

"It's... quite sublime," he stammered, his face turning bright red.

"Then come and get it," I purred, laying face down on the bed, and

in without ceremony, and I shut my eyes and braced myself. But instead of a forceful fucking I felt the gentle warmth of his breath on my bottom, followed shortly by the wetness of his tongue as he began to lick me all up my crack, from the hard nub of my clitty to the dark recesses of my arse, where he soon found my anus.

Well, I was glad he seemed to

"He began to lick me all up my crack, from the hard nub of my clitty to the dark recesses of my arse"

lifting my bum up, tucking my legs up to expose my tight little hole.

I looked over my shoulder to see Harry struggling out of his clothes: he was clearly keen on the idea of doing something that involved nudity that was for sure. He dropped his draws to reveal a long, thinnish prick that was absolutely stonking hard.

"Oh Anna," he grunted as he lunged onto the bed. I expected him to just pick a hole and stick it

have sussed what I wanted. He was on the right track, but he just rimmed my arsehole for what seemed like hours, and it twitched in anticipation. My cunt was throbbing and I fumbled between my legs to frig myself as he continued to stimulate my anus.

Harry seemed to sense that I was about to come, and he readjusted his position, climbing over me so that his seeping cock hovered just above my arsehole.

"Up the bum?" he enquired.

"Up the bum," I confirmed.

I felt Harry's long, slender fingers probe my cunt, and transfer copious fanny fluid onto my arsehole, which was already soaked in spit. Clearly satisfied that he'd prepared the way, I then felt his cock poke up between my buttocks, and nudge against my tight little anus.

"Ready?" he enquired.

I nodded my head vigorously.

Next thing I knew, my breath was taken clean away as Harry thrust his throbbing cock right up my bottom. I nearly came the moment he was inside me, and judging by the way he was breathing I knew Harry wouldn't be long.

"Oh, fuck me! Come inside me!" I gasped as Harry started to pull his prick slowly backwards, withdrawing till he was barely inside, then whacking it right back into me, the tip of his penis probing deep inside my bottom.

Harry rogered my arsehole like it was some kind of contest, and I couldn't believe the intensity of the new sensations that wracked my body. He'd been boffing me barely a minute before I was coming, and I had to bury my face in the pillows to muffle my squeals!

"Oh, yes," Harry moaned as he picked up his pace further, taking his weight on his arms, lifting his body above me so that he could fuck my arse as hard as he possibly could. I was coming and coming like there was no end to it, and then when Harry squirted his spunk up me I thought my head was going to come off. My cunt actually ejaculated too as Harry came, firing his hot jizm right up my bottom!

Exhausted, he slid his cock out of my anus and lay beside me, panting and exhausted.

"First time up the bum?" he asked.

"It is," I confirmed, wiping the sweat off my forehead, "and I hope it won't be the last!" – Anna, Birmingham

GYM'LL FIX IT

I had been letting myself go a bit recently so I decided to join the local gym. My first visit there was certainly an eye-opener as it was full of gorgeous fit women dressed in skimpy shorts working up a good sweat. In fact, I had to run off to the toilets to give my stiff cock a good pumping to.

After a few visits, and a good few visits to the toilet, I noticed a gorgeous little thing, long blonde hair, healthy tan, pert tits, and the firmest, cutest arse that I'd ever seen. She always seemed to be in there when I visited, so I got chatting to her.

"Hi, I'm Moira," she said with a lovely Scottish accent and I nearly creamed myself. We started to do some free weights together. I watched as Moira started to lift some dumbbells and as she bent down to pick them up, I was granted a spectacular view of her perfect round arse lifted into the air. She then leaned onto a bench with one knee, with one hand to support her, the other gently and slowly lifting the dumbbell. I started to breathe heavily as I looked at this marvellous sight and I'm sure my face must have been flushed bright red. Moira then turned her head back at me and I could see she was grinning at my flustered state. The little minx was teasing me. She raised herself from the bench and walked up to me close, my cock getting harder and harder.

"I see you're enjoying the view," she said as her hand brushed against the bulge in my shorts. I went to kiss her but she drew back, "not here, follow me."

She then led me across the weights room, with me trying to conceal my excitement as we approached the ladies' toilets. As no one was looking, we both slipped in to an empty cubicle.

Moira pushed me hard against the cubicle wall, her right hand around my neck whilst her left hand slid down to my erect cock, running her fingers over the nylon material. She pushed her tongue into my mouth, and then began to suck my tongue. She tasted as good as she looked.

I ran my hands down her fit taut body and then back up to her firm breasts and began to work my head down her fantastic curves, whilst at the same time undressing her out of her skimpy gym kit. I pushed her back against the cubicle door as I reached her pussy and buried my tongue into her shaven wetness, swallowing her sweet juices. I could feel she was getting wetter and wetter as I ran my tongue up and down her pussy and she squealed with delight as I inserted two fingers into her gaping pussy. I started to finger fuck her harder, I inserted a finger from my other hand into her anus and I could feel her whole body quiver as she came, grabbing my hair and forcing my tongue harder on her sensitive clit.

By this time, my cock was rock hard and eager to fuck this horny

bitch. I bent her over, admiring her tight arse, as I slid my eight inches of stiffness into her warm pussy. I groaned softly as I eased in and out of her, slowly at first, and from her whimpering groans of pleasure, I could tell she was wanted more. Moira pushed hard against the cubicle door, arching her back and pushing her bum up as she

demanded that I fuck her harder, which I did. I was close to coming now, as I quicken my pace but I wanted a piece of that arse before I finished off. I eased myself out and moved my pulsating manhood to her arsehole.

"Make me cum," said Moira as I push my shaft into

her eye-watering tight anus. She began to frig her pussy as I worked up a good fucking speed. I felt my balls tighten as I emptied my sack into her sweet arsehole and we both screamed in pleasure. It was only at this time that I noticed four other female heads bobbing over the toilet cubicle walls. "I hope this workout class is open to us," said one of the girls. – Tony, Swindon ♣

You'd expect with a name and an air as classy as Anais, that the girl would be oozing with sophistication, but don't be fooled. We thought that at first, but after talking to her for just a few minutes we realised she'd be better off being called Anals, given her penchant for filthy sex.

"I adore being taken up the arse," the foul-mouthed fur lover began. "Even when I'm satisfying myself I always like to have a rummage around my rear. Luckily my arse doesn't need much lubing up so I can usually slip something up there straightaway. One time I even managed to insert two vibrators in my bum. Admittedly they didn't go very deep but the sensation soon had me coming, but it's obviously not as pleasing as having a cock rammed up there. An arse pounding isn't an arse pounding without a hot dollop of spunk shot up there afterwards, is it?"

Erm, I'm not sure we should really comment on that, should we? ♣

Stella...

where to stick it!

Don't you just love the summer? I do, it's my favourite time of year because when the sun is out everyone tends to wear less and I'm sure I'm not the only one who enjoys the sight of scantily-clad women. Of course, in my line of work I get to see gorgeous girls wearing next to nothing – and usually a lot less – all the time, but you can't beat getting an eyeful of new talent.

It happened to me a few days ago. Well, sort of. I was out lazing on a bench in the park when these two brunettes walked by and immediately caught my eye. They were both wearing tight denim hot pants and skimpy tops with most of their toned mid-riffs showing.

I was instantly thinking what I'd do with the pair of

"They were feeling each other's mounds and sucking on each other's breasts"

them but as it turned out, I didn't have to use much imagination when they sat in full view of me and started snogging.

I couldn't believe how bold they were being as they started undressing each other. Pretty soon they were both topless and their denim shorts were undone and they were feeling each other's mounds and sucking on each other's breasts. I wanted to join in but at the same time I just wanted to keep watching them at it because they looked so beautiful.

Eventually they were both fully naked and engaged in a passionate sixty-nine. By that time I was ready to join them, but then I woke up! That's right, I'd only dozed off and had been dreaming the whole thing. There was no stunning lesbian couple in front of me at all, but I'll tell you something, when I went home that evening I had a good play with myself imagining that there was! ♣
